International Journal of Scientific Methods in Intelligence Engineering Networks (IJSMIEN)

An International Refereed, Peer-Reviewed Open Access Journal

Certificate of Recognition

-- Reviewer --

This is to certify that

Dr. John Smith

Department of Computer Science, IIT Delhi, India

has been recognized as a valued Reviewer of the International Journal of Scientific Methods in Intelligence Engineering Networks (IJSMIEN). The journal acknowledges their significant contribution to the peer review process, which is fundamental to maintaining the quality and integrity of scientific publishing.

We appreciate their expertise, dedication, and commitment to advancing scientific knowledge through rigorous and constructive peer review.
